Fireworks on the field and in the air: Northeastern Ohio Baseball Tour 2010

NEOEA's baseball tour continues in 2010! Join your friends at the ball parks of northeastern Ohio—and, while you're at it, save money with our group discounts. Enjoy games by northeastern Ohio's five professional baseball teams and the Indians AAA affiliate in Columbus! This year, we've arranged the games so that you can start with tomorrow's potential Indians and work your way up to today's. **All of the Friday games include fireworks.**

Order the tickets, and we'll see you at the park. NEOEA does not stock tickets; ordering your tickets directly enables you to use a credit card and adjust your order for each game. Order tickets directly from the baseball teams themselves using the information provided here.
