All NEOEA members and employees can enjoy the low rate of just \$6.75 per day which includes our on-site car wash and much more. Simply claim your free Park Place Rewards Card by using the link below. Please keep a copy and forward my email to everyone who might travel for business or pleasure. I have a feeling many of your travelers who already enjoy our service may not be taking advantage of the free days, so please spread the word.

Park Place customers save both money and time while enjoying exceptional service. **Our shuttles pick you up right at the bumper of your car** twenty four hours a day, help with your luggage, and take you quickly to your airline of choice. We return you directly to your car when you come back as well. That's even better than valet parking! No walking, no waiting, and you're never alone.

If you already have a Park Place card, you will notice the low rate the next time you use your card. If you have not claimed your card yet, please take this opportunity to sign up. When you use the link I have provided here, the correct Park Place location and your company code number will be automatically filled in for you. Just use this link and then click on "Enroll Now".
