NEOEA Conference Center

NEOEA Special Education Work Group

The NEOEA Special Education Work Group was formed to consider ways to address the concerns of special educators. Currently, there is no OEA affiliate or associate organization for special education other than OADDP. Many members are experiencing challenges obtaining adequate and appropriate supports to meet the needs of students and staff. Teaching and non-teaching special educators are invited to join us in exploring steps to address these needs.

The third meeting is scheduled for **9:00 a.m. on Friday, October 13, 2017 (NEOEA Day), at the NEOEA Conference Center, 5422 East 96th Street, Suite 200, Garfield Heights, OH 44125-5330.** Reservations are recommended.

The NEOEA Special Education Work Group will address:

- Review the scope and nature of issues affecting special educators.
- Draft language for New Business Item for the District and OEA Representative Assemblies.
- Discuss whether to move forward as a Caucus, Organizing Committee, or Affiliate Organization.
- Draft language for a mission and strategic goals.
- Review legislation and funding needs.
- Identify local contract issues.
- Recommend classroom and student supports.
- Any other important issues.
